Ref.: Irish Academy of Engineering – “Energy Policy and Economic Recovery (2010 – 2015)” Report

Dear Mr. Nally,

I attach a copy of the above report which was published on 28th February, 2011. It consists of this bound document and an electronic version, which includes supporting technical appendices, accessible on the Academy's website at: www.iae.ie.

The report is being forwarded to relevant Government Departments and Agencies, political parties' energy spokespersons, major industry representatives, academic centres, interested commercial bodies and media outlets. It is being circulated to facilitate communication and dialogue on this important engineering-related matter.

The Academy would welcome an opportunity to discuss this report with you or your representative(s), at your convenience. In the meantime should you require clarification on any issues arising from the report please do not hesitate to contact the Academy at 01 – 6651337.

Yours faithfully,

John D. Golden,
President,
IAE
